fremains to be done, there work, and finin the fair will open Monorning with everything comterior the reception of visitors, and
with all the exhibits better arranged than in any previous year. One of the final steps to the finish of the preparatory work and the opening of the fair was the transportation after midnight this morning of the office of General Manager Lloyd and the entire General Manager Lloyd and the entire paraphernalia thereof to the Fair Grounds, where the headquarters and executive staff are now established until the close of the fair. Woman's Building Has Good Lead.

Woman's Building Has Good Lead.

The one department which is the most advanced to completion in all details is the Womans Building, and those in charge are to be congratulated on the way in which they have received the vast number of exhibits. There are so many exhibitors this year that some were not able to get to the grounds on Thursday, and many belated exhibits were received yesterday. The women were busy all day, and all exhibits received will be ready for inspection by the judges this morning, and will be duly marked with the awards of premiums when the building is obened to visitors Monday.

this morning, and will be duily marked with the awards of premiums when the building is opened to visitors Monday.

The long distance from the main entrance of the grounds to the Woman's Building was something of a trial to a good many of the women and children bringing packages, and the management of the Fair has provided against this inconvenience to exhibitors of bread, cake, pies and candy by designating the office. No. 2 Mutual Building, Ninth and Main Streets, as the receiving place for exhibits must be brought to the Mutual Building Tuesday morning before 10 o'clock, when they will be received for the Fair, will be forwarded to the Woman's Building in convenance provided by the management and will be immediately judged and placed on exhibition with the designation of awards attached. This arrangement has been made for the convenience of exhibitors, and to avoid confusion all exhibits in these classes must be sent to the office in the Mutual Building. The designation of awards attached the convenience of exhibitors, and to avoid confusion all exhibits in these classes must be sent to the office in the Mutual Building. The designation of well as in the magnitude of the botics and the arrangement to make an exhibition building will be a revelation to visitors in the high standard of display made as well as in the magnitude of the botics and the arranging of exhibits is progressing night and day, and the decorations are nearly all in place. Exhibitors are all working in harmony with the management to make at the morning and the arranging of exhibits is progressing night and day, and the decorations are nearly all in place. Exhibitors are all working in harmony with the management of the deferminance of the deffect of the afternoon of Saturday, the closing day of the Fair.

Columbus, O., September 30.—What habitues of the Grand Circuit pronounced the most remarkable heat and finish at any point this year occurred in the middle mile of to-day's 2:05 pace, a race that went to Evelyn W. Earl, Jr., who was first choice in the pooling.

The Cleveland mare won on the outlined up across the track, and all so close together that Evelyn W.'s victory was at first doubted. Earl, Jr., took the first heat in 2:03 1-4, now time for him and Evelyn W. was sixth, because of a break. Scandal appeared during the final heat of the 2:07 trot, it beling disposed of officially by fining Driver Nottingham 2:50 for not trying to win with Hallworthy, that had beaten Brace Girdle by inches in the second mile in 2:051-4, his time equaling that which Brace Girdle made, when she won the opening heat from Nancy Rovee, with room to spare.

Brace Girdle was the winner of the race, as she stood best in the summary after Spanish Queen, maker of breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 13 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 15 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 15 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 15 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 15 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 15 breaks in the first two miles, had taken the main heat in allow time. 2:07 trot, 2:00 claimed to have been paid on the lands, together with \$2:000 additional expenses incurred by the plaintiffs in visiting Norfolk and in fighting beta son the heat were declared off, but the auction pools were allowed to stand. TEN-INNING TIE GAME

Brooklyn, N. Y., September 30,— Brooklyn and Philadelphia played ten innings, to a tie to-day, in a heavy hitting battle, in which six pitchers were used. Time was called on account of darkness. The locals had the game of darkness. The locals had the game apparently safe up to the eighth, when the visitors batted in eight runs, and took the lead, 9 to 6. Brooklyn tied it up in the ninth, when Coulson hit for a home run, with two men on bases. The score:

As THACK CAPTAIN

[Special to The Times-Dispatch.]
Charlottesville, Va., September 30.—
At a meeting of the "V" men of the Virginia track squad, Edwin W. Holladay, of Charlottesville, was elected captain of this year's track team, to succeed Turner H Wiltishire, of Baltimore, Md., who falled to return to college. Although never regarded a phenomenal track—athlete, Holladay can always be depended upon to win a few points in any meet in which he participates. In the past three years he has figured quite prominently as a hurdler and high jumper. He is also a member of the 'varsity football team, having won his letter for the past two seasons. Holladay is now a student in the medical school, but for two or three sessions was in the academic department, where he earned the degree of Bachelor of Arts. He is a high type of athlete, and an active worker in the Y. M. C. A. Ashland, Va., September 30.—Coach Rice Warren put the finishing touches on the work of the Randolph-Macon squad this afternoon, preparatory to their first game of the season in Charlottesville to morrow. Signal practice, a cross-country run. coaching, both individual and collective, made up the work of the evening.

Special attention has been patd to the ends these last few afternoons. The entire squad continues to number about thirty men, and the serimmages this week have been vigorous. The raw material is getting pretty well whipped into shape, and prospects continue to grow brighter.

The first squad, which Warren anounced this afternoon for the trip to morrow is as follows: Rowe, captain, increased the state of the drawing cards and the best advertising medium for the sixth morrow is as follows: Rowe, captain, increased the state of the drawing cards and the best advertising medium for the sixth morrow is as follows: Rowe, captain, increased the state of the drawing cards and the best advertising medium for the sixth morrow is as follows: Rowe, captain, increased the state of the drawing cards and the best advertising medium for the sixth morrow is as follows: Rowe, captain, increased the state of the drawing cards and the best advertising medium for the sixth morrow morning.
